(5) A report of the Permanent Secretary or Head of Department under this regulation shall not be seen by the officer on probation, but any adverse comments on his work shall be in specific terms; the officer shall be notified in writing in duplicate as early as possible, so that he should have sufficient time in which to make an effort to correct his shortcomings before his
period of probation expires. The officer shall retain the original notification and shall sign the duplicate and return it to the Permanent Secretary or Head of Department for the period.

26. (1) Before any recommendation is made to the appropriate Commission for the extension of the period of probation of an officer or for the termination of his appointment, the Permanent Secretary or Head of Department shall inform the officer of this recommendation and of the specific reasons therefor and he shall invite the officer to submit any representation he may wish to make.

(2) An officer selected to represent Trinidad and Tobago abroad at a sporting event or at a social or educational convention will be granted the leave for which he is eligible, plus additional leave with full pay, to enable him to complete his engagement. 84. (1) An officer who is given employment with an appropriate recognised association may be given leave of absence up to three (3) years without pay from the Civil Service.

The Permanent Secretary may require an officer who habitually takes advantage of this concession to present himself to a Government Medical Officer for a Medical Examination.

to be granted, she should not be granted maternity leave, but should be allowed no-pay leave on account of pregnancy;

\( (c) \) where a temporary or acting officer has been granted no-pay leave on account of pregnancy in accordance with the provisions of paragraph \( (b) \) and she returns to work and completes six (6) months of service, the period of no-pay leave on account of pregnancy shall be treated as maternity leave.

(3) If an officer proceeds on leave on grounds of pregnancy before she has completed one year’s service, and the period of such leave extends beyond the date on which the one-year qualifying period would be completed, she shall be paid leave salary commencing from the day following that on which she qualified when she completed one year’s service at the same rate that she would have been paid for that period had she proceeded on the normal three months maternity leave in accordance with regulation 88(1). Payment should continue until the end of her maternity leave which together with the period of no-pay leave prior to her qualifying for maternity leave shall not exceed three months.

(4) The grant of maternity leave or of no-pay leave on account of pregnancy shall not be a consideration for the termination of the services of any temporary or acting officer, but the normal circumstances in which the service of temporary or acting officers are terminated will always apply as follows:

\( (a) \) the appointment has come to an end;

113. In the case of an officer who resides in Government quarters and is temporarily posted to a new district where Government quarters are also provided, the officer may occupy the new quarters in which event he shall pay the appropriate rental. If the Minister of Finance is satisfied that undue hardship will be caused by the officer having to remove his family to the new quarters, the officer shall be permitted to continue in occupation of the former quarters and shall not be required to pay rent for the new quarters.

114. (1) Where an officer who has been occupying Government quarters departs from Trinidad and Tobago on leave, he may—

115. (1) An officer, who surrenders his quarters under regulation 114(1) may be allowed when proceeding on annual leave to retain one room of the quarters for storage of his personal effects provided that the approval of the Minister of Finance is first obtained and provided further that the storage of such personal effects does not preclude the temporary allocation of the quarters or seriously restrict their use by another officer and his family during the absence of the substantive officer on leave.

(2) If, for any reason, this condition cannot be satisfied, permission to retain a room will be refused and the officer will have to make other arrangements for the storage of his personal effects during his leave. In such case, Government will meet the payment of the cost of truckage for removal. An officer who is permitted to utilise a room for the above-mentioned purpose shall be required to pay rent for the portion of the quarters retained by him in the manner set out in regulation 104. In applying for approval the floor area of the room in question in relation to the other room must be specified.

116. In the case of an officer who dies while officially occupying quarters with his family, the Minister of Finance may permit the family to remain in occupation of the quarters for a period not exceeding three (3) months and paying rent at the rate previously paid by the officer.
117. As soon as possible after an allocation of quarters is made by the appropriate authority, the Permanent Secretary or Head of Department or the Permanent Secretary for Tobago Affairs shall ensure that the officers in the respective Ministries or Departments who are allocated quarters report the date of vacation or occupation of quarters to the following:

- Permanent Secretary in the Ministry of Finance;
- Permanent Secretary in the Ministry of Works;
- Comptroller, Financial and Accounting Administration;
- Auditor General;
- Permanent Secretary in the Ministry for Tobago Affairs (in the case of quarters in Tobago);
- Finance and Accounting Division in the Ministry or Department in which the officer is employed.

118. An officer shall be allowed fourteen days from the date on which he is notified that quarters have become vacant or are ready to be occupied, within which he should take up occupancy of the quarters.

119. An extension of the time allowed by regulation 118 may be granted on application provided that the officer—

(a) submits his application before the expiry of the fourteen days allowed by regulation 118;
(b) refunds the wages of any caretaker employed during the period of such extension.

120. If the officer does not occupy quarters and does not request an extension, the allocation of the quarters may be cancelled.

121. On occupying quarters, the incoming officer shall apply to the District Officer of the Works District in which the quarters are situated for the keys to enable him to take possession. On vacating quarters, he shall similarly deliver the keys to the above-mentioned officer.
122. On occupying or taking charge of a Government building or quarters, the incoming officer shall as soon as possible notify the Permanent Secretary in the Ministry of Works, whether anything is wrong with the building, furniture or fixtures. He shall also communicate with the Furniture Superintendent, Ministry of Works, and arrange for an inventory to be taken of the furniture and to specify the articles and items of furniture required within the limits of the scale of furniture and appliances for the various grades of quarters.

123. Before vacating any Government quarters for which he is paying rent, the outgoing officer shall give not less than two weeks notice in writing to his Permanent Secretary or Head of Department who shall notify the Permanent Secretary, Ministry of Works, to arrange for the inspection of the quarters and grounds and for an inventory of the furniture and appliances to be taken.

124. In case an outgoing officer fails to give the notice required by regulation 123, he shall be liable for the rent payable for the month in which such failure occurred in addition to any amount that the Permanent Secretary in the Ministry of Works may certify to be chargeable to such outgoing officer.

125. An officer who is temporarily occupying quarters, for example, occupying quarters while the permanent occupier is on accumulated annual leave, shall be given at least seven days’ notice in advance to vacate such quarters if required for a permanent allocation. If he fails to vacate within seven days from the date of notification, he shall be liable to a penalty equal to the amount of the house allowance payable to or the alternative accommodation expenses incurred by the officer to whom the quarters are allocated not exceeding the rental value per month. This penalty shall be in addition to the rent of the quarters which the officer is temporarily occupying.

126. The rental of electrical appliances and equipment installed in quarters shall be at the rate of 10 per cent a year of their value and in the case of heavy furniture at the rate of 5 per cent a year of its value.
127. Officers who occupy quarters shall be required to keep such quarters and the curtilage thereof in a clean, tidy and sanitary condition at their own expense. Before vacating such quarters, officers shall ensure that the quarters are in a clean and sanitary condition.

128. No allowance shall be granted when Government quarters are under repairs unless the officer is required to vacate the premises or in exceptional circumstances. In the latter event the officer affected must make representation immediately upon receiving notice that repairs are to be undertaken.

129. Occupiers of quarters shall neither make structural alterations nor install electrical fittings or lighting equipment except through the medium of the Works Division of the Ministry of Works. This regulation shall apply also to any addition, alteration or modification of an existing installation, whether of the self-contained or any other type.

130. Officers who occupy Government quarters shall be held responsible for any damage or neglect of such quarters, grounds or roads of such quarters and any breakage or loss of furniture and fixtures.

131. When any Government quarters, furniture, electrical appliances, fixtures or the grounds or the roads attached thereto have been damaged and such damage in the opinion of the Permanent Secretary, Ministry of Works is due to carelessness or negligence on the part of the occupier or his servants, an account of the charges for making good such damages shall be rendered to such occupier or person in charge by the Permanent Secretary or Head of Department concerned and the amount of such account shall be paid by such person to the Comptroller, Financial and Accounting Administration.

132. The Permanent Secretary in the Ministry of Works shall forward to the Permanent Secretary in the Ministry of Finance half-yearly reports on the condition of all Government quarters stating if any officer has failed to comply with the requirements of regulation 127.
133. An officer occupying Government quarters where an official telephone is installed shall keep a record of all official long distance calls put through such telephone and certify and submit this record to his head office at the end of each month. He shall then be required to pay for all calls which are not on this list. If he does not send in his monthly record, he shall be charged with all calls.

UNITED KINGDOM—TRINIDAD AND TOBAGO
PUBLIC OFFICERS AGREEMENT

Her Majesty’s Government in the United Kingdom and the Government of Trinidad and Tobago have agreed as follows:

1. (1) References in this Agreement to an officer are references to a person who before the appointed day was the substantive holder of a pensionable office in the public service of Trinidad and Tobago, being a person—

(a) who was selected for or offered appointment to an office in such public service by a Secretary of State; or
(b) whose appointment to any such office was approved by a Secretary of State; or
(c) who had entered into an agreement with the Crown Agents for Overseas Governments and Administrations to serve in any such office; or
(d) who (although he is not a person falling within paragraph (a), (b) or (c) of this Article) is or has been a member of Her Majesty’s Overseas Civil Service or Her Majesty’s Overseas Judiciary or has been a member of a former Colonial Unified Service.

(2) In this Agreement—
“the appointed day” means the 2nd day of December 1960;
“pension” means—

(a) any pension, gratuity, compensation, retiring benefit or other like benefit payable by the Government of Trinidad and Tobago to or in respect of any officer, including any increase of pension;

(b) any pension, including any increase of pension, payable to the widow or child of an officer and any contributions repayable by that Government and interest thereon under any law providing
for the payment of pension to the widows and children of officers;

“substantive holder” in relation to any office includes a person serving in that office on probation but does not include a person (other than a person serving under a probationary agreement) serving in that office for a specified term under a contract.

2. (a) Subject to the provisions of Article 3 of this Agreement an officer who does not cease to be in the public service of Trinidad and Tobago before the appointed day shall be entitled to conditions of service not less favourable than those applicable to him immediately before that date.

(b) In this Article the expression “conditions of service” means the laws, rules, regulations, orders and other instruments that regulate the terms of service of an officer, including (without prejudice to the generality of the foregoing) provisions regulating his tenure of office, transfer, promotion, disciplinary control, remuneration, leave and passages.

3. The entitlement of an officer who does not cease to be in the public service of Trinidad and Tobago before the appointed day to retire and his eligibility and that of his widow, children, dependants and personal representatives to receive a pension shall be governed by the laws, Regulations and administrative directions in force immediately before that day or by such other laws, regulations or administrative directions made thereafter that are not less favourable; and pensions shall be granted and paid to such officers and other persons accordingly.

4. (1) Pensions to officers who have been, or have ceased to be, in the public service of Trinidad and Tobago before the appointed day, or to their widows, children, dependants or personal representatives, shall be granted and paid or, if granted before that date, shall continue to be paid, in accordance with the laws, regulations and administrative directions governing those pensions
on the relevant day or in accordance with such other laws, regulations or administrative directions made thereafter that are not less favourable.

(2) For the purposes of this Article, “the relevant day” means—

(a) in relation to a pension granted before the appointed day, the day on which the pension was granted; and

(b) in relation to a pension granted on or after the appointed day the day immediately before that day.

5. (1) Pensions paid outside the Federation after the appointed day shall be paid in sterling, and shall be calculated at the official rate of exchange prevailing on that date between the pound sterling and the currency in use in Trinidad and Tobago notwithstanding any variation in that rate:

Provided that if there is a general revision of salaries consequent upon a revaluation of the currency of Trinidad and Tobago as a result of which the pensionable emoluments of an officer may be increased the Government of Trinidad and Tobago may require that officer to agree that any pension that may be granted to him shall be calculated at the rate of exchange prevailing at the date of the revision of salaries before granting him the benefit of the increase of pensionable emoluments:

Provided further that in the event of a change in the monetary unit of currency in use in Trinidad and Tobago, such change shall not affect the calculations of any pension payable under this Article outside the Federation, so as to reduce the amount of the pension in terms of the pound sterling.

(2) Every pensioner who is being paid a pension on the appointed day shall exercise within six months of that date an option as to whether his pension and any pension that may become payable
to his widow, children, dependants or personal representatives shall be paid in the Federation or outside the Federation:

Provided that where no option is exercised within six months after the appointed day an option shall be deemed to have been exercised for the payment of the pension either in the Federation or outside the Federation, as the case may be according to where it was being paid on that date.

(3) In every other case an officer eligible for a pension shall exercise before the award of his pension an option as to whether his pension and any pension that may become payable to his widow, children, dependants or personal representatives, shall be paid in the Federation or outside the Federation.

(4) Where, in consequence of the death of any person, a pension becomes payable after the appointed day to his widow, children or any dependant, or to his personal representatives, an option as to whether the pension shall be paid in the Federation or outside the Federation—

(a) may be exercised within one year of the death of the pensioner; and

(b) shall, if so exercised, be substituted for the option (if any) exercised by that person under paragraph (2) or paragraph (3) of this Article.

(5) Where an option is exercised in accordance with this Article for the payment of a pension in the Federation, the option may be revoked, and a fresh option may be exercised by the pensioner for the payment of the pension outside the Federation, if the pensioner ceases to reside in the Federation.

(6) Where an option is exercised in accordance with this Article for the payment of a pension outside the Federation the pension may be paid in any country outside the Federation according as the pensioner by notice in writing may from time to time request, or, if the pensioner becomes resident in the Federation and so requests by notice in writing, may be paid in the Federation.

(7) An option exercised or revoked in accordance with this Article—

(a) shall be exercised or revoked by notice in writing; and
(b) shall be deemed to have been exercised or revoked on the date on which the notice is received.

(8) For the purposes of this Article—

(a) “the Federation” means the territory of the Federation of The West Indies; and

(b) “Pensioner” means the person entitled to the payment of a pension or, if that person is a minor his or her lawful guardian.

6. For the purposes of this Agreement, in so far as the law, regulations, or administrative directions applicable to the grant of a pension depends on the option of the person to or in respect of whom it is granted or to be granted, the law, regulations, or administrative directions for which he opts shall be taken to be more favourable to him than any other law, regulation, or administrative direction for which he might have opted.

7. (1) Officers who are members of Her Majesty’s Overseas Civil Service or of Her Majesty’s Overseas Judiciary shall continue to be eligible for consideration by Her Majesty’s Government in the United Kingdom for transfer or promotion to employment in the public service of some other territory.

(2) The Government of Trinidad and Tobago shall comply with any reasonable request that may at any time be made by Her Majesty’s Government in the United Kingdom for the release of an officer for transfer or promotion in pursuance of paragraph (1) of this Article and shall take any action that may be necessary to preserve his pension rights when he is so transferred or promoted.

8. This Agreement may be cited as the Public Officers’ (Trinidad and Tobago) Agreement, 1960, and shall come into operation on the 2nd day of December 1960.

Done in duplicate at London this 6th day of October 1960 and this 14th day of November 1960.
