The top rope shall be placed 52 inches, the middle rope 35 inches, and the bottom rope 17 inches above the ring floor. At each of the four corners of the ring the ring ropes shall be connected by loops of other rope or other suitable fastenings to a post placed 18 inches outside the ring ropes. Such corner posts shall be properly secured and suitably padded throughout. 3. Gloves and Bandages.—Each glove shall not be less than six ounces in weight. Contestants may use bandages of soft cloth of not more than 1½ inches in width and the length of each hand’s bandage shall not exceed six feet. Bandages may be held in position by thin, adhesive tape, not more than two feet long by one inch wide for each hand. *Weighing.*—Contestants shall weigh in on the day of the contest at 10:00 a.m. for an afternoon tournament and at 2:00 p.m. for an evening tournament, unless, with the approval of the Board, another time is mutually agreed upon by the contestants.

Any contestant who fails to be present at the time of weighing or who neglects to be present at the time agreed upon for a contest, is liable to disqualification or to such other penalty as the Board may consider fit and adequate.

**SECTION 3—DURATION AND NUMBER OF ROUNDS**

5. In all contests the number of rounds shall be specified and no contest shall exceed fifteen rounds and no round shall exceed three minutes in duration. There shall be an interval of one minute between each round. All championship contests shall be of fifteen rounds of three minutes each. Time occupied by stoppages ordered by the referee during the progress of a round shall not count as part of the time of such round.

The number of rounds of a contest agreed to by the contestants, and contained in the articles of agreement submitted to the Board with the application for a permit under regulation 8, shall not be changed without the approval of the Board.

**SECTION 4—OFFICIALS AND THEIR DUTIES**

6. At any contest the following officials shall act:

A referee;

Two judges;

A timekeeper;

An M.C. or announcer;

Seconds.

None of these officials shall be personally pecuniarily interested in the contest whether as promoter or otherwise. This proviso shall, however, not debar any person from officiating at a contest merely because he happens to be a member of a club promoting the contest, provided that such club is approved of by the Board as a purely sporting club, nor shall this proviso apply to seconds.
The duties for these officials shall be as follows:

**REFEREE**

He shall be the chief official during a contest and shall take his position in or near the ring and shall exercise general supervision over a contest. He alone shall inform the M.C. what verdict to announce and his decision shall be final.

Prior to the start of a contest he shall—

(b) see that the terms of clause 3 of Section 1, and clause 4 of Section 2 of these Rules are observed.

During a contest he shall—

(c) keep an independent score of each round and at the end of a contest give a decision if the judges disagree;

(e) order, by the command “Break”, the contestants to separate when in a “clinch” and, at his discretion, to separate them himself should they fail to obey promptly;

(f) regard as an acknowledgement of defeat a contestant’s inability to resume boxing at the timekeeper’s signal;

(g) stop a contest and order the retirement of a second for the remainder of a contest in the event of that second’s misbehaviour;

(h) stop a contest if he considers it to be one-sided and award the decision to the better man;

(i) stop a contest if a contestant is accidentally disabled or is unable to defend himself and award the decision to his opponent;

(j) stop a contest in the event of a contestant being “Down” and, immediately start announcing audibly the number of each second of time as it passes. He shall count up to ten seconds and indicate the end of the contest by the word “Out” and award the decision to the opponent if by that time the “Down” contestant has not arisen;

(k) stop a contest for the commission by a contestant of any one of the acts mentioned below classed as a “Class B Foul” and warn such contestant that further commissions of such foul would result in disqualification and the decision being given to his opponent;
LAWS OF TRINIDAD AND TOBAGO

Chap. 21:52 Boxing Control

(l) stop a contest and disqualify without warning a contestant who commits any one of the acts mentioned below classed as a “Class A Foul”, and award the decision to his opponent;

(m) stop a contest if he considers the contestants are not in earnest, in which case he must disqualify one or both of them;

(n) decide (1) the interpretation of any one of these Rules or all of them, and (2) any questions not provided for in these Rules. (The Board shall, however, decide these matters at all other times.)

After a contest he shall—

(o) send immediately to the Board his own and the judges’ scoring tablets;

(p) report in writing to the Board within forty-eight hours of their happening all cases of disqualification under clauses (l) and (m) above as well as any case of a contestant retiring from a contest without sufficient cause, all three of which acts render contestants found guilty thereof liable to forfeiture of their prize money.

JUDGES

The judges shall be stationed on two sides of the ring opposite each other apart from the referee or timekeeper. Independently they shall assign marks to the contestants and be ready at all times to assist when requested by the referee to decide whether any foul has been committed. They may also bring any other point to the notice of the referee at the end of any round. At the end of a contest that lasts the scheduled number of rounds they shall hand their scoring tablets to the referee.

TIMEKEEPER

He must be seated at the side of the ring close to the gong or electric bell. He shall provide himself with a suitable stop-watch or clock which shall permit of his making due allowances for stoppages ordered by the referee. He shall indicate the beginning and end of a round by sounding the gong or bell. Five seconds before the beginning of a round he shall call “Seconds Out” and the number of the round.

M.C. OR ANNOUNCER

He shall announce in a satisfactory manner (preferably by microphone) the names of boxers; their weights; the title at stake, if any; the number and duration of the rounds; the names of the referee, judges, timekeeper. He shall announce the decision when authorised by the referee to do so. At the request of the promoter and/or the referee he shall make any other announcements.
SECONDS

Each contestant shall be permitted to have not more than three seconds in his corner in a contest of ten rounds or more, nor more than two seconds, in a contest of less than ten rounds and all seconds must be suitably attired. A chief second must be nominated to the referee by each contestant and such chief second alone of the seconds can declare the retirement of his principal by throwing a towel into the ring and orally drawing the referee’s attention to the fact. Seconds shall not coach principals during the progress of rounds and they must remain seated and silent. They shall not throw, spout nor spray water or other substance on a principal nor in any other way assist him during a round. They shall leave the ring enclosure at the timekeeper’s call and they shall remove all obstructions such as chairs, buckets, etc., the instant the sound signal indicates the beginning of a round, and none of these articles shall be placed on the ring floor again until the gong or bell signals the end of the round.

SECTION 5—MARKING

7. At the end of each round of a contest marks to the maximum number of five shall be awarded to the better man and a proportionate number of marks to the other contestant or, when equal, the maximum number to each. Halves or other fractions shall not be used in marking. At the conclusion of a contest if the total marks awarded the contestants by the referee and/or by a judge or judges are equal such official or officials may award an additional mark to the contestant who does the most leading, or if equal also in this respect, to the one who displays the better style.

Marks shall be awarded for—

(a) *Attack*—Direct, clean hits with the knuckle part of either gloved hand on any part of the front or sides of the head or body above the “belt”, and for conspicuous endeavours to sustain action by leading repeatedly and by general aggressiveness.

(b) *Defence*—“Guarding”, “slipping”, “ducking” and “blocking”, and in general cleverly evading blows, and for “countering”. Marks given for defence shall not outweigh those given for attack.

(c) *Conduct*—Displays of courage; refusing to take a mean technical advantage; ability to take advantage of every legitimate opportunity offered; style; and generalship.

Marks shall not be awarded for—

(a) Tapping;

(b) Hits with the knuckle part of the gloved hand at the back of the head, neck or body.

Marks shall be deducted for—

Lack of initiative and general ineffectiveness, persistent clinching, fouling, though not serious enough to warrant disqualification.
SECTION 6—DECISIONS

8. At the conclusion of a contest that goes the full scheduled number of rounds the winner shall be determined by the higher total number of marks and not by the greater number of rounds won. When judges’ decisions agree in a contest that goes the full number of rounds scheduled the referee shall authorise the M.C. to announce their verdict. When the judges’ decisions do not agree the referee shall give his decision and if two of the three decisions shall then agree the result shall be so announced. When all three decisions disagree the result shall be announced as a “draw”. In contests that do not go the full number of rounds scheduled, the referee only shall give a decision.

SECTION 7—FOULS

9. The following acts are deemed foul and the referee shall have power to disqualify contestants for committing any one of them:

CLASS A. (WITHOUT WARNING)

(a) Hitting below the “belt”.
(b) Hitting an opponent who is “down” or who is getting up after having been “down”.
(c) Hitting with the inside of butt of the hand, the wrist or the elbow.
(d) Butting with the head.
(e) Use of the “kidney-punch”.
(f) Use of the knee.
(g) Use of the “pivot-blow”.
(h) Use of the “rabbit-punch”.
(i) Purposely going “down” without having been hit.
(j) Not trying or not being in earnest.
(k) Retiring from a contest without sufficient cause.
(l) Committing any unfair physical action which may injure an opponent.
(m) Refusal to obey the referee in general, or wilfully obstructing the referee in the execution of his duties.

CLASS B. (AFTER WARNING)

(n) Hitting or “flicking” with the open glove.
(o) Holding an opponent.
(p) Holding an opponent with one hand and hitting with the other.
(q) Holding the ropes with one hand for the purpose of obtaining greater power when hitting an opponent.
(r) Boring or lying-on an opponent.

(s) Wrestling or roughing at the ropes.

(t) Not breaking promptly when ordered to do so.

(u) Resting on the ropes during a stoppage.

(v) Resuming or attempting to resume boxing after a stoppage without being ordered to do so.

(w) Use of profane, obscene or abusive language.

SECTION 8—DEFINITIONS AND NOTES

10. (a) “Stop” and “Box on”.—Excepting only when the referee has given the order “Stop” contestants must protect themselves at all times whilst in the ring and on their feet, but they shall not resume boxing after a stoppage (“breaking” excluded) without the order “Box on”.

(b) “Break”.—Contestants when ordered by the referee to “break” must break contact to the satisfaction of the referee, and be on the defensive while doing so. Having moved in this manner a contestant may immediately resume boxing without being told to do so by the referee.

(c) “Clinch”.—A “clinch” is a locking-together of the contestants for which both are responsible.

(d) “Down”.—A contestant shall be deemed “down” when—

(i) any part of his body other than his feet is on the ring floor;

(ii) hanging over the ropes in a helpless condition.

Notes.—A contestant hanging over the ropes in a helpless condition is not officially “Down” until so pronounced by the referee, who can count the boxer out either on the ropes or on the floor.

Should a contestant arise fully but be unable to defend himself the contest shall be stopped and the decision given to the opponent.

Should a contestant who is “Down” arise before the count of ten seconds of time be reached and then at once go “Down” again without being struck, the referee shall resume the count where it left off provided that in his opinion such going down is the aftermath of the original knock-down blow and that the contestant’s action does not warrant disqualification.

A contestant sent “Down” by a blow may remain “Down” until nine seconds of time have been counted without being disqualified but after an accidental fall he must rise instantly failing which the referee may stop the contest and award the decision to the opponent.
(e) “Counting Out”.—The order “Stop” shall precede the beginning of any count. When counting the referee shall move either one of his arms in unison with his count. Immediately a contestant is “Down” the opponent shall retire to the corner farthest from the man who is “Down”, and should he fail to do so, or having done so come out of that corner during the count, the referee shall suspend his count until the opponent returns to that corner, when the referee shall resume the count where it left off. A contestant counted “Out” shall be the loser of the contest irrespective of the number of marks awarded up to that time.

(f) “Double Knock-out”.—In the event of a double knock-out the referee shall declare the contest to be a “Draw”.

(g) “Tapping”—Direct, light blows are not regarded as “tapping” but a succession of taps, usually employed at close quarters, which have no effect upon an opponent are to be considered as such.

(h) “Back-hand Blow”.—A “back-hand blow” is not a foul when it is delivered with the knuckle part of the gloved hand.

(i) “Holding”.—Holding may be done with one or both hands and is the act of one of the contestants. Whilst it is not permissible for a contestant to hold an opponent with one hand and hit with the other, yet it is permissible for the opponent if he be so held and has one hand free, to hit with his free hand.

(j) “Hitting Below the Belt”.—Hitting below the “belt” is hitting below an imaginary line drawn across the abdomen at the level of the tops of the front edges of the hip bones.

Note.—This includes the groins.

(k) “Kidney-Punch”.—The “kidney-punch” is a blow delivered deliberately at that part of the body over the kidneys. The referee will not protect a contestant who, in his opinion, deliberately exposes the body to such blows.

(l) “Pivot-Blow”.—A “pivot-blow” is made when a boxer pivots round on one foot swinging his arm with him and as he completes his revolution delivers a blow of any kind.

(m) “Rabbit-Punch”.—The “rabbit-punch” is a downward chop on the back of the neck with the side of the glove or hand.
SECTION 9—CHAMPIONSHIP CONTESTS

11. The Board may declare the winner of an approved contest between contestants for a championship of a particular class to be the champion of that class.

No contestant shall be permitted to engage in a championship contest unless he was born in Trinidad and Tobago or has been continuously resident therein for a period of not less than three years.

The winner of a championship contest shall retain his possession of the championship title unless he loses the same by being defeated in a championship contest, or by default, or by his inability to make the weight; Provided that a championship can only be won in a contest.

The claim of a champion to a championship title may be forfeited on any of the following grounds:

(a) if the champion has failed to defend his championship title within a period of time specified by the Board after a challenge which has been approved by the Board has been issued to him;

(b) if the champion has ceased, of his own accord, to be licensed as a professional boxer for three years or more;

(c) if the champion is proved to the satisfaction of the Board to be guilty of gross misconduct as a boxer;

(d) if the licence of the champion has been revoked or suspended by the Board, or the Board has refused to issue a licence to him.

Except when a championship title is won in a contest, the Board shall decide whether, and declare when, a championship title is lost or forfeited and may sanction a contest between contestants selected by the Board for any championship which is lost or forfeited.
